

To,

The Secretary,
The Institute of Cost Accountants of India,
Egmore, Chennai.

Dear Sir/ Madam,

Reg: Request to display on your notice board

Sub: Vacancy for qualified CMA with Experience

Modine has been here quite awhile – in fact, we've been operating since 1916 when Arthur B. Modine first set up shop to manufacture thermal solutions for the spawning automobile industry. A little history – the automobile industry manufactured approximately 3.6 million cars that year. A short while later, automobile production would jump to over 15 million vehicles. Arthur Modine focused on building better, more reliable, and longer lasting products, and essentially built a factory around his laboratory. From here, science led to innovation, and the foundation for the next century was established. Today, we still hold on to the same philosophy as we have for over 100 years. Learn more about Modine. It's a great story!

We have a vacancy for qualified CMA with 3-5 years experience.

Position Summary:

This position is responsible for various required financial reports, Costing, MIS, Variance Analysis, Capex Reporting, Material Cost Analysis, PO Review and Approvals, Scrap Reporting and Analysis, Cost Audit Working, Quote Review and updation, assists in forecast and budget preparation; helps in month-end closing and analyzes monthly results.

Candidates with good academic records and like to get rounded exposure may apply for the post. We required immediate joiners with 15-30 days will be more preferable.

The interested candidates are requested to send their resume on d.kishorekumar@modine.com. Our office is located at Sriperumbudur.

We request you to kindly display this on your notice board and oblige.

Thanking you,

For Modine Thermal System Pvt Ltd
