

26<sup>TH</sup> December, 2022

Company Name: **Rockman Industries Pvt. Ltd**

Website: <https://www.rockman.in/>

Rockman Industries was established in the year 1960 as a bicycle component manufacturer. Today, the company is an industry leader for Aluminium die casting, machined and painted assemblies supplier. Rockman Industries supply these components to renowned motorcycle manufacturers and automobile OEMs across the world.

The organization is an industry leader in two-wheeler and four-wheeler alloy wheels. Apart from wheels, the organization also manufactures cylinder head, cylinder block, crankcase, crankcase covers, oil pan, transmission housing and other mechanical components.

Rockman has forayed into Carbon Composites through acquisition of a British-Indian enterprise, Rockman Advanced Composites Pvt. Ltd., earlier Moldex Composites.
