## VACANCY FOR CMA ARTICLES

RKR & Associates, Firm of Chartered Accountants has vacancies for the position of Articles as per the Institute Regulations. **(Those who have completed both the groups of Intermediate Exams)**

### Field of Exposure:

- ❖ Accounts, Finance and CFO Support Services
- ❖ Management Consulting and Corporate Financial Advisory
- ❖ Business, Financial and Legal Due Diligence
- ❖ Business Evaluation
- ❖ Preparation of Investor Pitch Deck, Business Plan and Finance Modelling
- ❖ Valuation
- ❖ Transaction Advisory
- ❖ Statutory Audit, Internal Audit and Investment Audits
- ❖ Direct Taxes and Indirect Taxes

### Holistic Exposure:

We do not restrict the exposure to just one or two fields. During the articles period we want to provide exposure to the students is as many aspects as possible. The practical training they get will help them to get a deeper understanding of the subjects which in turn will be helpful from the examination point of view.

## RKRV Deep Tech Forum Meetings on Saturdays

②

Participation in the RKRV Deep Tech Forum offers students a valuable opportunity to enhance a range of important skills, including communication, presentation, public speaking, and analytical skills apart from enhancing their professional knowledge.

### Monday Morning Meetings: - Case Study Discussions:

The Monday Morning meetings that involve students discussing case studies in areas such as Direct Tax, Indirect Tax, and Companies Act under the guidance of Partners offer a practical and enriching learning experience. These sessions have the potential to significantly contribute to students' understanding of complex legal and financial concepts while also fostering skills relevant to their future.
