“Behind every successful Business Decision, there is always a CMA”

About the Theme

SIRC CMA Practitioners Meet-2026, hosted by the Visakhapatnam Chapter at the Ratan Tata Innovation Hub, is a thoughtfully designed program aimed at empowering practicing CMAs to adapt to the evolving professional landscape. Centered around the theme “Future-Ready CMA Practice: Embracing Technology, Specialization, and Advisory Excellence,” the event focuses on equipping professionals with the skills and insights required to move beyond traditional compliance roles.

The program features a blend of keynote sessions, technical discussions, and interactive engagements. Key sessions include technology-driven practice transformation through AI, cloud computing, and data analytics, along with strategic MSME advisory, enabling CMAs to transition into Virtual CFO roles. Another important focus area is developing niche expertise to build high-value specialized services.

A highlight of the event is the Leadership Fireside Chat with the Central Council Member and Chairman of the Professional Development & CPE Committee, offering valuable insights and direct interaction with practicing members.

Complemented by networking opportunities, cultural events, and peer engagement, the program provides a holistic platform for knowledge sharing, professional growth, and collaboration, reinforcing the role of CMAs as future-ready strategic advisors.

About Visakhapatnam

Visakhapatnam, often called Vizag, is a picturesque city on India's eastern coast in Andhra Pradesh. Known for its stunning beaches like RK Beach and Rushikonda Beach and Thotlakonda Beach cum Buddhist Complex. The city offers breathtaking views of the Bay of Bengal. Nestled between the Eastern Ghats, Vizag is a haven for nature lovers with its lush hills and valleys. The city boasts a rich history, with landmarks like the Simhachalam Temple and colonial-era structures. As a major port city, Vizag plays a vital role in maritime trade and is an industrial hub with thriving steel, petrochemical, and shipbuilding industries. Esteemed institutions such as the century-old Andhra University and the Indian Institute of Management greatly enrich Visakhapatnam's intellectual landscape. Recently, Vizag has emerged as the Fintech and AI capital of Andhra Pradesh, attracting numerous technology companies. Vizag's culinary scene is vibrant, featuring spicy Andhra dishes and delectable seafood. With its blend of natural beauty, cultural heritage, and economic prowess, Visakhapatnam is a true gem on India's eastern seaboard.

“The Deck, housing the Ratan Tata Innovation Hub – Visakhapatnam Spoke, is a uniquely designed, ship-shaped five-floor structure that offers a panoramic vantage point, showcasing the scenic cityscape of Visakhapatnam on one side and the serene Bay of Bengal on the other.”
