CALIBRE

Inspired solutions Incredible service

An opportunity to be a part of a Professionally managed Financial Services Group

CALIBRE, since 1995, has emerged as a leader in Corporate Financial Advisory Services as well as Proprietary Debt and Equity investments. In our Advisory Services vertical, we have been assisting several businesses in evaluating their funding needs, suggesting appropriate fund structures, help raise resources through debt & quasi debt products and provide a range of fee-based facilities and services. We leverage on our enduring relationships with Banks, Indian and overseas Financial Institutions and Fund houses to structure and organise timely financing solutions at optimum cost for our clients. **CALIBRE** now advises over 200 corporate clients and is happy to have assisted them in raising over Rs 15750 million. Our proprietary investments business assists small and medium scale firms in finding optimum and timely funding solutions. About 50 small and medium scale firms benefit in the form of Bridge Loans, Trade Financing, Supply chain financing, Factoring facilities, Post production credit enabling them to improve their fund flows and realize their manufacturing potential. Calibre disburses about Rs 900 million annually. Calibre also offers Wealth management and Investment advice to HNIs. Calibre continues to grow its client portfolio in numbers and volumes. Over the years Calibre is known for its' ethical and transparent dealing and as a reliable partner in providing financial services.

CALIBRE welcomes ICMA - Finalist candidates for placement as:

ACCOUNTS / FINANCE PROFESSIONAL

CALIBRE is seeking highly motivated and dynamic ICMA - Finalists graduates to join our team as Accounts / Finance Professionals. As a Accounts / Finance Professionals, you will be an integral part of our organization, working closely with corporate clients to analyze their business operations, financial projections, and assist them in achieving financial closure through various financial products.

Salary will be attractive and will not be a constraint for the right candidates. The Group offers a congenial working environment and excellent learning, growth and career advancement prospects.
