About the Opportunity

We are looking for motivated and enthusiastic candidates who are interested in developing a career in professional services and are willing to learn across a diverse range of assignments. The opportunity is particularly suited for candidates who possess a **strong willingness to learn, good analytical ability, professional discipline and a positive attitude towards work**, and who wish to gain practical exposure beyond a single specialized area.

Work Exposure

- Banking and Financial Institution Audits
- Corporate Audits and Assurance
- FEMA & International Transactions
- Valuation Assignments
- Income-tax Practice
- International Taxation
- Secretarial and Corporate Compliance
- GST Practice
- Certifications and Professional Assignments
- Other Consulting and Advisory

Why Join Us?

- Meaningful diverse practical exposure including audits of significant banks.
- Direct Professional Guidance & Learning - direct monitoring and professional guidance from the Chartered Accountant.
- Encouraging candidates to understand the reasoning and professional judgement behind an assignment, rather than merely completing the mechanical aspects of the work.
- Opportunities to interact directly with clients / process owners of reputed organizations
- Technology-Enabled Working Environment with a young and technology-oriented team
- Encouragement towards exploring and deploying tools such as Artificial Intelligence (AI), Microsoft Excel, Power BI and other technology solutions.

Working Hours

Monday to Friday: 10:00 AM to 5:30 PM;

Saturday: Half Working Day (up to 1:30 PM)

[The firm is flexible, to the extent reasonably possible, regarding working hours and provides reasonable consideration for examination leave and academic commitments of candidates pursuing professional qualifications.]

Candidate Profile

We welcome applications from candidates who demonstrate:

- A genuine **willingness to learn and develop professionally** (Prior experience may be considered favorably, but **enthusiasm, attitude and willingness to learn are equally important considerations**)
- Good overall attitude and professional conduct,
- Good analytical / problem solving skills and logical thinking
